Sub : Facilitating generation of E-way bill by the consignees

Dear Sir,

On 31st March, 2018, message had been communicated to all Areas that action is to be taken for facilitating generation of e-way bill by the consignees in line with the guidelines already issued by the GM(M&S), CCL and subsequently forwarded the same by CIL for implementation by all other CIL Subsidiaries.

However, no. of complaints are being received from different consignees for not providing the documents/inputs required for generating e-way bill.

In view of the above, guidelines for facilitating generation of E-way bill by the consignees are being re-produced below once again.

The provision of mandatory E-way bills under GST has come into effect from 01.04.2018 in respect of inter-state movement of goods. As per GST Rules, the person causing the movement of goods has to arrange for generating E-way bill, which in case of coal sales is the consignee. In the context of coal supplies, the consignee has to generate the E-way bills. For facilitating generation of E-way bills by the consignee in respect of Rail sales, copies of the following two documents have to be provided to the consignee immediately after loading and weighment of rakes :-

- (i) Copy of forwarding note & (ii) Copy of EPS

By providing these two documents, BCCL will be providing two vital inputs i.e. unique document no. for filling the relevant column in E-way bill generation format and secondly the approximate quantity for which the E-way bill is to be generated. The consignee is expected to put in approximate value of the goods (coal) in the relevant space of input format. This will facilitate the consignee to generate E-way bill without any hitch.

In context of Road Sales, since trucks are already moving with proper GST invoices, there would not be any problem in generating E-way bills by the purchasers.

You are, as such, requested to direct all the concerned persons under you to provide the necessary input documents to the consignees till a final guideline is received from CIL.

Matter may be treated as Most Urgent.

Yours faithfully, भवदीय
