This is in reference to our earlier notices dated 14.05.2025, 26.09.2025 and 09.01.2026 vide which the dispensation of waiver of PI (Performance Incentive) for the quantity lifted by Power Consumers under FSA from BCCL through Rail/ Road/ RCR mode beyond 90% of MSQ from May'25 to January'26 was notified.

In this regard, this is for kind information to all concerned powerhouse consumers having FSA with BCCL (including flexi-linkage) that such dispensation for waiver of PI (Performance Incentive) is hereby extended to the Power Consumers for the quantity lifted beyond 90% of MSQ (Monthly Scheduled Quantity) **till 28<sup>th</sup> February'2026** through Rail/ Road/ RCR mode. This means that the quantity lifted beyond 90% of MSQ **during the period May'2025 to February'2026** shall not be considered for the purpose of calculation of PI (Performance Incentive) at the end of FY 2025-26.

All the power consumers having FSA with BCCL (including flexi linkage) are requested to avail maximum advantage of such dispensation by filing maximum rail movement programs at BCCL through Rail mode and also by lifting of significant quantities of coal through Road/ RCR mode; needless to say that the quantity lifted beyond the MSQ shall not incur additional cost of 40% in the form of PI (Performance Incentive).

This issues with the competent approval.
