Dear Sir,

With reference to the above, we, for and on behalf of BCCL, hereby place PURCHASE/SUPPLY ORDER on you for Supply, installation, testing and commissioning of GPS devices on all vehicles engaged in transportation at different area, including their comprehensive maintenance for a period of 72 months at the rates, terms & conditions, scope of supply and technical specification specified to achieve objectives and technical requirements specified in this order, and also as per general terms and conditions of NIT.

**1.SCOPE OF WORK:** Supply, installation, testing and commissioning of GPS devices on all vehicles engaged in transportation at different area, including their comprehensive maintenance for a period of 72 months. The estimated population of such vehicles, to be monitored in BCCL, is around 1100, which may increase or decrease. If the number increases in future, the successful bidder has to arrange for the additional devices as may be necessary as per rate, terms and conditions of the contract during the period of 6 years as per this order/NIT. After completion of contract the service provider should ensure all the devices in working condition, to avoid any penalty/ deduction in this respect and should hand over to BCCL.
