The bidder shall furnish ePBG as applicable as per bid's terms and conditions बोली लगाने वाले को बोली के नियमों और शर्तों के अनुसार लागू ईपीबीजी प्रस्तुत करना होगा	
<h2>Terms and Conditions नियम और शर्तें</h2> <h3>1. General Terms and Conditions-</h3> <p>1.1 This contract is governed by the General Terms and Conditions, conditions stipulated to this Product/Service as provided in the Marketplace.</p> <p>1.2 This Contract between the Seller and the Buyer, is for the supply of the Goods and/ or Services, detailed in the schedule above, in accordance with the General Terms and Conditions (GTC) unless otherwise superseded by Goods / Services specific Special Terms and Conditions (STC) and/ or BID/Reverse Auction Additional Terms and Conditions (ATC), as applicable</p> <h3>2. Buyer Added Bid Specific Terms and Conditions-</h3> <p>2.1 <i>Certificates:</i> Bidder's offer is liable to be rejected if they don't upload any of the certificates / documents sought in the Bid document, ATC and Corrigendum if any.</p> <p>2.2 <i>Generic:</i> Bidders are advised to check applicable GST on their own before quoting. Buyer will not take any responsibility in this regards. GST reimbursement will be as per actuals or as per applicable rates (whichever is lower), subject to the maximum of quoted GST %.</p> <p>2.3 <i>Generic:</i> Bidder shall submit the following documents along with their bid for Vendor Code Creation:</p> <ol style="list-style-type: none"> Copy of PAN Card. Copy of GSTIN. Copy of Cancelled Cheque. Copy of EFT Mandate duly certified by Bank. <p>2.4 <i>Buyer Added Bid Specific ATC:</i> Buyer Added text based ATC clauses</p> <p>1.Years of Past Experience required, Experience criteria and Past Performance clause mentioned in this GeM BID shall be as per Proven-ness criteria given in Buyer Specification Document as such Experience criteria and Past Performance clause mentioned in this GeM BID stands deleted.</p> <p>2. In respect of Pre-dispatch inspection clause of ATC of this GeM Bid, it shall be noted that before dispatch, the goods will be inspected by Buyer /GM (Excvn)/HOD or their Authorized Representative only. Before dispatch, the goods shall not inspected by Nominated External Inspection Agency.</p> <p>.</p> <p>2.5 <i>Service & Support:</i> Dedicated /toll Free Telephone No. for Service Support : BIDDER/OEM must have Dedicated/toll Free Telephone No. for Service Support.</p> <p>2.6 <i>Service & Support:</i> Escalation Matrix For Service Support : Bidder/OEM must provide Escalation Matrix of Telephone Numbers for Service Support.</p> <p>2.7 <i>Generic:</i> Manufacturer Authorization:Wherever Authorised Distributors/service providers are submitting the bid, Authorisation Form /Certificate with OEM/Original Service Provider details such as name, designation, address, e-mail Id and Phone No. required to be furnished along with the bid</p> <p>2.8 <i>Inspection:</i> Pre-dispatch inspection at Seller premises (Fee/Charges to be borne by the BUYER): Before dispatch, the goods will be inspected by Buyer / Consignee or their Authorized Representative or by Nominated External Inspection Agency (independently or jointly with Buyer or Consignee as decided by the Buyer) at Seller premises (or at designated place for inspection as declared / communicated by the seller) for their compliance to the contract specifications. Fee/Charges taken by the External inspection Agency and any external laboratories testing charges shall be borne by the Buyer. For in-house testing, the Sellers will provide necessary facilities free of cost. Seller shall notify the Buyer through e-mail about readiness of goods for pre-dispatch inspection and Buyer will notify the Seller about the Authorized Representative/ Nominated External Inspection Agency and the date for testing. The goods would be dispatched to consignee only after clearance in pre-dispatch inspection. Consignee's right of rejection as per GTC in respect of the goods finally received at his location shall in no way be limited or waived by reason of the goods having previously been inspected, tested and passed by Buyer/ Consignee or its Nominated External Inspection Agency prior to the goods' shipment. While bidding, the sellers should take into account 7 days for inspection from the date of email offering the goods for inspection. Any delay in inspection beyond 7 days shall be on the part of the buyer and shall be regularised without Liquidated Damages. When there is requirement of submission the advance sample, the seller shall inform the buyer promptly through emails about the date of submission of sample to the buyer nominated Inspection agency.</p> <p>2.9 <i>Scope of Supply:</i> Scope of supply (Bid price to include all cost components) : Supply Installation Testing and Commissioning of Goods</p> <p>2.10 <i>Generic:</i></p> <ol style="list-style-type: none"> The Seller shall not assign the Contract in whole or part without obtaining the prior written consent of buyer. The Seller shall not sub-contract the Contract in whole or part to any entity without obtaining the prior written consent of buyer. The Seller shall, notwithstanding the consent and assignment/sub-contract, remain jointly and severally liable and responsible to buyer together with the assignee/ sub-contractor, for and in respect of the due performance of the Contract and the Sellers obligations there under. <p>2.11 <i>Generic:</i> Supplier shall ensure that the Invoice is raised in the name of Consignee with GSTIN of Consignee only.</p> <p>2.12 <i>Past Project Experience:</i> Proof for Past Experience and Project Experience clause: For fulfilling the experience criteria any one of the following documents may be considered as valid proof for meeting the experience criteria:a. Contract copy along with Invoice(s) with self-certification by the bidder that service/supplies against the invoices have been executed.b. Execution certificate by client with contract value.c. Any other document in support of contract execution like Third Party Inspection release note, etc.Proof for Past Experience and Project Experience clause: For fulfilling the experience criteria any one of the following documents may be considered as valid proof for meeting the experience criteria:a. Contract copy along with Invoice(s) with self-certification by the bidder that service/supplies against the invoices have been executed.b. Execution certificate by client with contract value.c. Any</p>	

other document in support of contract execution like Third Party Inspection release note, etc.

2.13 Warranty:

Warranty period of the supplied products shall be as given in specifications from the date of final acceptance of goods or after completion of installation, commissioning & testing of goods (if included in the scope of supply), at consignee location. OEM Warranty certificates must be submitted by Successful Bidder at the time of delivery of Goods. The seller should guarantee the rectification of goods in case of any break down during the guarantee period. Seller should have well established Installation, Commissioning, Training, Troubleshooting and Maintenance Service group in INDIA for attending the after sales service. Details of Service Centres near consignee destinations are to be uploaded along with the bid.

2.14 Warranty:

Successful bidder will have to ensure that adequate number of dedicated technical service personals / engineers are designated / deployed for attending to the Service Request in a time bound manner and for ensuring Timely Servicing / rectification of defects during warranty period, as per Service level agreement indicated in the relevant clause of the bid.

2.15 Service & Support:

Availability of Service Centres: Bidder/OEM must have a Functional Service Centre in the State of each Consignee's Location in case of carry-in warranty. (Not applicable in case of goods having on-site warranty). If service center is not already there at the time of bidding, successful bidder / OEM shall have to establish one within 30 days of award of contract. Payment shall be released only after submission of documentary evidence of having Functional Service Centre.

2.16 Purchase Preference (Centre):

Purchase preference to Micro and Small Enterprises (MSEs): Purchase preference will be given to MSEs as defined in Public Procurement Policy for Micro and Small Enterprises (MSEs) Order, 2012 dated 23.03.2012 issued by Ministry of Micro, Small and Medium Enterprises and its subsequent Orders/Notifications issued by concerned Ministry. If the bidder wants to avail the Purchase preference, the bidder must be the manufacturer of the offered product in case of bid for supply of goods. Traders are excluded from the purview of Public Procurement Policy for Micro and Small Enterprises. In respect of bid for Services, the bidder must be the Service provider of the offered Service. Relevant documentary evidence in this regard shall be uploaded along with the bid in respect of the offered product or service. If L-1 is not an MSE and MSE Seller (s) has/have quoted price within L-1 + 15% of margin of purchase preference /price band defined in relevant policy, such Seller shall be given opportunity to match L-1 price and contract will be awarded for percentage of 25% of total value.

PART D: -EQUIPMENT SPECIFICATIONS.
TECHNICAL SPECIFICATION FOR 12 T MOBILE CRANE

Sl No	Specification Parameters	Bid requirement (Allowed value)	Offered value/Bidder's confirmation
1.	Scope of Specification	This specification is intended to cover the technical requirements for the design, manufacture, testing, delivery, on-site erection and commissioning of a diesel powered, 12 Tonne capacity Pick & Carry Crane.	Complied, we offered Model SHAKTI12
2.	Reference	<p>The following International Standards are referred to in, and form part of, the Specification:</p> <p>ISO 4305: Mobile cranes - Determination of stability</p> <p>ISO 4573-1982: Specification for power drive Mobile Cranes.</p> <p>Any other ISO specifications, as applicable</p>	Complied
3.	Design Criteria	<p>The Crane shall be designed for heavy duty application even in the extreme mining conditions at Opencast Mines and be capable of operating for protracted periods on a system of 3 shifts each of 8 hours duration per day throughout the year.</p> <p>The Crane should have a lifting capacity of not less than 12 tonne. The Minimum pick and carry travelling speed: - 3KM/hr</p>	Complied
4.	Engine	The Crane shall be powered by a direct injection 4-stroke, diesel Engine of suitable HP. The Engine shall be provided with 12V/24V electric starting with dry type 2-stage air-cleaner The Engine shall have a water jacket cooling system, thermostatically controlled, using an engine driven water pump, with the cooling water re-circulated through a heavy-duty Radiator. The system shall be capable of providing sufficient cooling to allow the crane to continuously operate at the full rated output at the maximum ambient temperature. The moving parts of the Engine shall be lubricated by an Engine driven oil pump, with full flow oil filtration and cooling.	Complied
5.	Transmission	Heavy duty transmission, having adequate no. of forward & reverse speeds	8 Forward & 2 Reverse

6.	Steering	Suitable articulated power steering hydraulically controlled through two double acting cylinders.	Yes, we will provide
7.	Hoses	All hoses shall be grouped as far as possible and suitably clipped to reduce damage from scuffing. Fire/Heat resistant hoses are to be provided in hot zone areas.	Yes, we will provide
8.	Tyres	Suitable preferably Tubeless, cut-resistant tyres shall be provided to meet the requirement of operating parameters given in the design criteria.	Yes, we will provide
9.	Brakes	Suitable reliable service and parking brakes shall be provided.	Yes, we will provide
10.	Service brakes	Air over hydraulic brakes in both front and rear wheel.	Yes, we will provide
11.	Parking brakes	Parking brake for locking the wheels should also be provided	Yes, we will provide
12.	Frame	The frame should be a rugged, durable construction of high strength steel, free from any stress concentration. The design must take care of all forces encountered during the operation of the Crane. Suitable suspension shall be provided to absorb shocks & reduce operator's fatigue.	Yes, we will provide
13.	Boom	The boom should have heavy duty, two/three-part hydraulic operated boom and derricking through two double acting cylinders. The lifting height should not be less than 10 m	36ft
14.	Hoist System	Suitable heavy duty hydraulic winch with fail safe brakes, along with adequate size of rope to be provided	Yes, we will provide
15.	Hydraulic System	The system should have suitable type of pumps, Control Valve having preferably double acting spool type valves with built in Pressure relief valve for trouble free crane operation. The system should preferably incorporate hydraulic filter also	Complied
16.	Fuel Tank	The fuel tank shall be of sufficient capacity and be provided with a level indicator and a lockable hinged filler cap	Yes, we will provide
17.	Operator's Cab	Single all weather cabin for both operations - Travelling and Lifting. The cabin should be full vision in all direction, totally steel construction & toughened safety glass throughout, lockable doors, interior light	Yes, we will provide

		and horn. A rear-view mirror, windshield wipers and washers, a fully adjustable operator's seat, floor mat and a cooling fan shall be provided. It should be ergonomically designed cab and control layout with adjustable seat.	
18.	Gauges and Indicators	The following shall be provided: a) Water temperature b) Engine oil pressure c) Engine tachometer d) Engine hour-meter e) Air pressure (if applicable) In case any of these Gauges/Indicators are not provided, then it must be adequately explained how job of the same would be accomplished.	Yes, we will provide
19.	Warning Alarms	The following audio/visual warning alarms shall be provided: a) Overloading audio warning system b) Over hoist audio warning system with over hoist limit switch c) Low Engine oil pressure d) High Coolant Temperature e) Reversing. It must be audio & visual both. Audio-visual alarm while reversing the Crane.	Yes, we will provide
20.	Electrical Equipment	The Crane shall be provided with the following: a) 12V/24V DC electrical system with suitably rated alternator of reputable Make. b) Electric start c) Reputable make high-capacity battery	Yes, we will provide
21.	Lighting	Adequate lighting shall be provided for safe nightshift operation. The lighting system should include the following: a) Front and Rear lights b) Instrument panel and cab light c) left and right turning signal lamp, reverse lamp	Yes, we will provide
22.	Fire Extinguishers	An adequate number (not less than 02 nos.) of fire extinguishers shall be provided at strategic points on the Crane, suitably mounted in heavy-duty brackets for ease of removal. The extinguishers shall be dry powder (cartridge type) with a minimum capacity of 5 kg and shall comply with Indian Standard IS: 15683.	Yes, we will provide
23.	Auxiliary equipment and	The following shall also be provided on/ along with each Crane	Yes, we will provide

	other requirement	a) Extra Hook (capacity to be mentioned) b) Horn. c) General Tool kit for repair and maintenance with list and quantity. d) Rear View Mirror e) Operator seat belt f) Hose failure protection device g) Cylinder guard (wherever applicable) h) Safe Load indicator i) Any other item specifically not mentioned above, if considered necessary & essential for satisfactory & safe working of Crane, should be included in the offer.	
26.	Performance Guarantee	The supplier shall guarantee that the availability of the equipment shall not be less than 85% (Eighty- Five Percent) for a period of 12 months from the date of commissioning.	Complied
32.	Note	Any other part/ component, not specifically mentioned in the specification but necessary for safe and smooth operation of Crane should be included in the scope of Supply. The supplier shall accept responsibility for the provision of complete operable and compatible equipment within the scope of supply.	Complied
33.	Documents for Provenness/ experience criteria to be submitted with the offer	Bidder has to submit documents for prior Provenness/ experience criteria as per the attached attached provennes criteria.	Complied
34.	Following information to be clearly furnished by the Bidder	i) Dimensions (in Retracted condition) a) Maximum overall length b) Maximum overall width c) Maximum height d) Wheelbase e) Ground clearance	11501 mm 2520 mm 3063 mm 4500 mm 300mm
		ii) Weights a) Operating weight - front wheels b) Operating weight - rear wheels c) Total operating weight	5900 kg 4800 kg 10700 kg
		iii) Engine a) Manufacturer and model b) Number of cylinders c) Bore d) Stroke e) Displacement f) ISO net power at.....r/min g) Maximum torque	Simpson, S4334 4 91.44 mm 127mm 3330 cc 2200 48 at 2200 rpm

		iv) Transmission (a) Make & Model (b) No of Gears (c) Type	Sonalika, DI60 4+1
		v) Brake System (a) Service Brake – Type (b) Parking Brake – Type	Pneumatically Pneumatically
		vi) Boom a) Fully retracted length b) Intermediate position length c) Fully extended length	3.75mtr 5.8 mtr 7.9 mtr
		vii) Rope a) Dimension b) Specification	Dia 13mm, Construction 18x 7
		viii) Electrical System a) Starter make and model b) Batteries - numbers and rating c) Lighting details	SRN, SRN001 1 No., 12V, 85AH Head Light - 2 Nos. Work Light - 1 No. Cabin Light - 1 No. Indicators - 2 Nos. Front, 2 Nos. Rear
35.	Documents Required	(a) Temporary Registration Certificate and other related Vehicle's paper should be provided by the bidder in the name of the respective consignee. (Expenses towards temporary registration will be borne by the bidder. However, registration charges, road tax and other RTO charges shall be borne by BCCL) (b) Lifting capacity range diagrams and tables. (c) Detailed technical descriptions of the Crane. (d) List of consumables, filter, lubricant to be supplied for 12 Months (e) List of tools & accessories to be provided with the Crane. (f) Detailed descriptions of all hydraulic systems and components (g) Comprehensive commercial literature specifications	Complied
