to operate the same according to their discretion and best advantage , if necessary .BCCCL does not guarantee for the quantity to be purchased during the currency of this Rate Contract.

20. PENALTY FOR FAILURE TO SUPPLY IN TIME

The delivery of stores stipulated in Purchase order shall be deemed to be of the essence of the contract and delivery of the stores must be completed by the date specified . No materials should be supplied beyond the specified delivery period, unless specific approval has been obtained from the purchaser. In the event of failure to delivery or dispatch the stores within the stipulated date/ period in accordance with the samples and/or specification mentioned is the supply order, and in the event of breach of any terms and conditions mentioned in the supply order. Bharat Coking Coal Limited reserves the right:

- a) To recover from successful tenderer, as agreed liquidated damages, a sum not less than 0.5% (half percentage) of the price of the stores which successful tenderer has not been able to supply (for this purpose part of a unit supplied will not be considered) as aforesaid for each week or part of a week during which the delivery of such stores may be in arrears limited to 10%. Where felt necessary the limit of 10% can be increased to 15% at the discretion of Head of the Materials Management Division.
- b) To purchase elsewhere, after due notice to the successful tenderer on the account and at the risk of the defaulting supplier the stores not supplied or others of a similar description without cancelling the supply order in respect of consignment not yet due for supply or
- c) To cancel the supply order or a portion thereof, and if so desired to purchase the store at the risk and cost of the defaulting supplier and also
- d) To extend the period of delivery with or without penalty as may be considered fit and proper. The penalty , if imposed shall not be more than the agreed liquidated damages referred to in clause(a) above.
- e) To encash any Bank guarantee which is available for recovery of the penalty or
- f) To forfeit the security deposit full or in part.
- g) Whenever under the contract a sum of money is recoverable from and payable by the supplier, BCCCL shall be entitled to recover such sum by appropriating, in part or whole by deducting any sum or which at any time thereafter may be due to the successful tenderer in this or any other contract with Bharat Coking Coal Ltd. or any subsidiary of Coal India Ltd. Should this sum be not sufficient to cover the full amount recoverable, the successful tenderer shall pay BCCCL on demand the remaining amount. The supplier shall not be entitled to any gain under this clause.

21. PRICE FALL CLAUSE:

The prices charged for the stores supplied under the contract by the supplier shall in no event exceed the lowest price at which the supplier offer to sell the stores of identical description to any other organization from date of offer till completion of supply under the contract.

i) If at any time during the said period the supplier offers lower sale price of such stores to any other organization at a price lower than the price chargeable under this contract, the supplier shall forthwith notify such reduction or sale to the consignee concerned under intimation to CGM(MM), Bharat Coking Coal Limited, Commercial Block, Level-II, KoylaBhawan, Koyla Nagar, Dhanbad and the price payable under the contract for the stores supplied after the date coming into force of such reduction or sale, shall stand correspondingly reduced.

22. Submission of Bill :

Pre-receipted stamped original bill for 100% value in four copy along with receipted delivery challan in original, Guarantee/Warranty certificate, and other relevant documents specified elsewhere in the order should be submitted to the Paying Authority through Consignee for onward transmission to the Paying Authority.

23. Force Majeure Clause:

If the execution of the contract/supply order is delayed beyond the period stipulated in the contract / supply order as a result of out-break of hostilities, declaration of an embargo / curfew or blockade or fire , flood, acts of nature or any other contingency beyond the supplier's control due to act of God then BCCCL may allow such additional time by extending the delivery period , as it considers to be justified by the circumstances of the case and its decision shall be final. If and when additional time is

The image shows a handwritten signature in blue ink, which appears to be 'M. M. M. M.' followed by the word 'Signature' written vertically below it. To the left of the signature, there are some initials, possibly 'M.M.', also written in blue ink.

granted by BCCL the contract/supply order shall be read and understood as if it had contained from its inception the delivery date as extended. Further this clause state that:

- a) The successful bidder will, in the event of his having to resort to this clause by a registered letter duly certified by the local Chamber of Commerce or statutory authority, the beginning and end of the causes of the delay, within fifteen days of the occurrence and cessation of such Force Majeure Conditions. In the event of delay lasting out of Force Majeure, BCCL will reserve the right to cancel the contract and provisions governing termination of contract, as stated in the bid documents will apply.
- b) For delays arising out of Force Majeure, the bidder will not claim extension in completion date for a period exceeding the period of delay attributable to the causes of Force Majeure and neither BCCL nor the bidder shall be liable to pay extra costs provided it is mutually established that Force Majeure Conditions did actually exists.
- c) If any of the force majeure conditions exists in the place of operation of the bidder even at the time of submission of bid, he will categorically specify them in his bid and state whether they have been taken into consideration in their quotations.

24. **Stock** : RC holder should maintain sufficient stock to meet the demand of the Area as and when asked by them without interruption.

25. **Packing for transit** – As per MIT The proper packing of the goods should be provided to prevent damage or deterioration during transit to their final destination..Packing shall be sufficient to withstand without limitation rough handling during transit.

26. **Inspection and test clause** :

- i) The purchaser or its authorized representative shall have the right to inspect and/or to test the goods to confirm their conformity to the contract. ii) The purchaser shall notify the supplier in writing of the identity of any representative retained for these purposes.
- iii) If the inspections and tests is conducted on the premises of the supplier or its subcontractor(s) at point of delivery and/or at the goods final destination when conducted on the premises of the supplier or its subcontractor(s), all reasonable facilities and assistance, including access to drawings and production data, shall be furnished to the inspectors at no charge to the purchaser.
- iv) Should any inspected or tested Goods fail to conform to the specifications, the purchaser may reject them and the supplier shall replace the rejected goods and make all alternatives necessary to meet specification requirements free of cost to the Purchaser.

v) The materials will be inspected on arrival at site by the consignee, which will be considered as final. This shall in no way be limited or waived by reason of the Goods having previously been inspected, tested and passed by the Purchaser or its representative's i.e. third party prior to the dispatch of the Goods.

w) Nothing in these documents shall in any way release the supplier from any warranty or other obligations under this contract

27. **Jurisdiction** : ALL DISPUTES ARE SUBJECT TO DHANBAD COURT AND JHARKHAND HIGH COURT JURISDICTION ONLY

ALL OTHER REMAINING COMMERCIAL TERMS & CONDITIONS AND TECHNICAL SPECIFICATIONS ALONG WITH SCOPE OF SUPPLY WILL STRICTLY BE AS PER OUR NOTICE INVITING TENDER AND AS CONFIRMED IN TECHNO_COMMERCIALLY ACCEPTABLE OFFER OF BIDDER .

Since this is case of rate contract qty. to be supplied is not fixed and will be as per requirement of direct demanding officers on as and when required basis .The total estimated off take will be 131.00 Lakh (approx).

The image shows a handwritten signature in blue ink, which appears to be 'Srikanta', written over a circular stamp. The stamp contains some illegible text, possibly a name or title, and a date. The signature is written in a cursive style.

N/B:- This issues with the concurrence of D(F) and approval of CMD. This contract is concluded with the issuance of this Rate contract. You are requested to kindly acknowledge receipt and acceptance of the RC within 15 days from date of issue of order. In case no reply is received, it will be presumed that the RC has been accepted by you for execution.

Technical Specification Parameters :The materials to be supplied by the firm must conform to the following technical specification parameters :

Specification parameter
<p>Cummins Diesel Engine model QSK 19C suitable for Kawasaki Loader.</p> <p>Technical Specification: H.P. - 600, Rated RPM-2100, Peak Torque-1627 lb ft @ 1300 RPM, Displacement-19 Liter, Bore X Stroke-159 MM X 159 MM, Configuration- Inline 6-Cylinder. Scope of Supply- Complete Cummins Diesel Engine Model-QSK 19C, 600 HP @ 2100 RPM for Kawasaki Japan make 115 ZV FE Loader application.</p> <p>The rating must be guaranteed within minus 5% limit for site condition of 150 M altitude, 736 mm Hg dry barometer, 29 degree C intake air temperature and 9.6 mm Hg water vapour pressure and has to be de-rated as per site condition.</p> <p>1) Air Intake System: a) Air intake manifold b) Air compressor, engine mounted.</p> <p>2) Engine Exhaust System: a) Exhaust manifold dry type b) Turbocharger</p> <p>3) Engine Fuel System: a) Fuel Filter and its suitable plumbing b) Fuel Pump</p> <p>4) Engine Cooling System a) Thermostat installed in the engine coolant outlet b) Water pump-one number, engine mounted</p> <p>5) Engine Lubricating Oil System: a) Lub oil sump, mounted on engine b) Lub oil pump, gear driven, mounted on engine c) Lub oil cooler, mounted on engine d) Lub oil filter engine mounted e) Dip stick, mounted on engine</p> <p>6) Engine Starting System: a) Electric Starter Motor, 24 V b) Charging Alternator, (24V) engine mounted</p> <p>7) Instruments & gauges & Sensors a) Temperature Sensor b) Pressure Sensor c) ECM & Engine wiring harness mounted on engine</p> <p>8) Other Engine Parts consist a) Flywheel Housing dry b) Flywheel.</p>
