36. REVOCATION OF TENDER PROCESS:

The online evaluation of tender must be performed by the Evaluator with utmost care and diligence. The Evaluator of tender must ensure that the decision of Tender Committee is correctly uploaded on the e-Procurement portal.

However, there may be situation when the decision of Tender Committee may have to be changed subsequently on account of a Court's verdict. Also, there may be circumstances when online evaluation of tender is not done correctly due to mistake by the Evaluator or due to technical error in the system, which may lead to cancellation of tender. In order to avoid the cancellation of tender in such cases, the tender process needs to be reverted back to appropriate stage (i.e. bid Opening stage etc.) to comply with the Court's verdict or to rectify the error committed by the Evaluator. This provision in the e-Procurement system has been introduced with an objective to abide by the Court's verdict or to ensure that the tender process should not suffer due to any mistake committed by an individual or due to any technical error in the system.

Revocation of Tender process back to Technical-bid opening stage or Price-bid opening stage from an advanced stage shall be done under the following circumstances:

- a. To comply with the directives of Hon'ble Court of Law.
- b. If the Evaluator makes a mistake in online evaluation of tender, which is not in line with the Tender Committee decision.
- c. If there is an error in the online evaluation of tender due to technical error in the system.

Revocation of Tender process will be done with the specific approval of the concerned Director.

In all such cases the Tender Revocation Notice must contain the details of the circumstances leading to revocation of tender process.

The Revocation of Tender on the e-Procurement portal can be done by way of creation and publication of corrigendum. However, since Revocation of Tender, in true sense, is not a Corrigendum to NIT, the Tender Revocation Notice will be uploaded only on the e-Procurement portal.

In case of revocation of Tender at any stage the auto-refund of EMD may not work properly and in such case it may be required that Tender Inviting Authority to arrange refund of EMD through conventional system of refund of EMD.
